AGREEMENT

THIS AGREEMENT is made and entered into on the date set forth below, by and between SDH Education East, LLC, a subsidiary of Sodexo, Inc. at Marquette University, Milwaukee, Wisconsin (hereinafter referred to as the "Company" or the "Employer"), its successors or assigns, and the Service Employees International Union (SEIU), Local 1, (hereinafter referred to as the "Union") covering the Employer's food service employees at Marquette University, Milwaukee, Wisconsin.

WITNESSETH

WHEREAS, it is the desire of the parties hereto to enter into a collective agreement for the purpose of maintaining harmonious and peaceful labor conditions and establishing methods for a fair and peaceful adjustment of disputes that may arise between the parties, both parties mutually pledging that they cooperate with each other in good faith in the enforcement of the terms of this Agreement so as to secure uninterrupted operation of the business of the Employer in rendering service to customers and patrons and continuous employment of the employees, and general stabilization;

NOW THEREFORE, in consideration of the mutual terms, promises, covenants and conditions herein contains, it is agreed as follows:

ARTICLE 1 – UNION RECOGNITION

The Employer recognizes the Union as the sole collective bargaining agent for the employees covered by this Agreement, and the Union agrees that the employees shall work for the Employer upon the terms and conditions set forth in this Agreement.

ARTICLE 2 – UNION JURISDICTION

The Employer recognizes the Union as the exclusive bargaining agent for all food service employees working for the Employer at Marquette University, Milwaukee, Wisconsin, excluding all office clerical employees, guards, managers, assistant managers, students and all other supervisory employees.

ARTICLE 3 – UNION INFORMATION/REPRESENTATION

Section 1. As part of the new hire orientation, the Employer will distribute a copy of the collective agreement, the names of the shop stewards and alternates, The Union and/or one (1) Steward shall be afforded fifteen (15) minutes to address new employees about the Union at the end of each orientation session, as well as at the Employer's all-employee welcome back meeting each August.

All employees shall be informed by the Employer of the existence of this Agreement. The parties agree that the following Joint Statement shall be read or provided to employees at new employee orientation and posted in the workplace: "All employees of Sodexo at Marquette University are covered under a collective bargaining agreement between Sodexo and Service Employees International Union (SEIU), Local 1. Sodexo is neutral on the subject of employees' decision to join or not join the Union. No employee shall be discriminated against for either joining or not joining the Union. More information and a copy of the Union Contract can be obtained by calling the Union Office".

Section 2.

The number of Union Stewards shall be no more than seven (7) total and no more than two (2) per building. The Union shall advise the Employer in writing of the names of Union Stewards. No more than one Union Steward may participate in any grievance procedure, unless a steward is the Grievant, in which case he or she shall be entitled to representation by another Steward. Union Stewards, unless the Steward is the Grievant, shall be recognized by the Employer as representatives of the employees for the purposes of enforcing this Agreement, and shall generally act as representatives of the Union on the job.

A Steward may request to be released from his/her regular duties to investigate grievances on Employer time. Requests to conduct such investigations shall not be unreasonably withheld. The Steward shall contact his/her supervisor in advance to determine a time when such investigation will not interfere with the Steward's work and the work of the person with whom the Steward wants to meet.

ARTICLE 4 – CHECK-OFF

Section 1. Dues Deductions. The Employer agrees to deduct monthly from the wages of each employee who so voluntarily authorizes such deduction, in writing on the forms provided by the Union for that purpose, the amount of regular initiation fees and monthly Union dues as certified to the Employer by the Secretary/Treasurer of the Union.

The Employer shall remit each month to the Union, the amount of deductions made for that particular month including initiation fees, reinstatement fees, membership dues, and arrears, together with a list of employees with their last four (4) digits of their social security numbers, hourly rate of pay, hours worked/paid per week, and arrearages per week/month, for whom such deductions have been made. Such information shall be transmitted electronically in a common, commercially-available electronic format mutually agreeable to the Union and the Employer. The list will indicate all official personnel actions that result in a change in status of bargaining unit members, including new hires, terminations, leaves of absence, and layoffs. The remittance shall be forwarded not later than the 25th of the month following the month in which deductions are made.

Any employee who is paying union dues or an amount equal to union dues, may stop making those payments by giving written notice to both the Employer and to the Union during the 15-day "window period" between the thirtieth (30th) day and forty-fifth (45th) day prior to the annual anniversary date of the date when the employee signed the dues deduction authorization card, or on or after the termination date of the then current collective bargaining agreement, whichever occurs first. The Employer will honor an employee's dues deduction authorization unless they are revoked in writing during the aforementioned "window period", irrespective of the employee's membership in the union.

The Employer agrees to honor individual authorizations presented by the Union, in a format that is compatible with the Employer's system, for dues deductions and voluntary deductions such as COPE contributions, including alternate forms of authorization in addition to signed membership forms, provided that such authorizations are allowable under state and federal law and clearly indicate the intent of individual employees. The Union shall provide at least ninety (90) days advance notice of any proposed modifications.

Section 2. Change in Amount of Dues Deduction. If at any time the Union needs to change the amount of dues which should be deducted, it will notify the Employer by the twentieth (20th) of the month prior to the month in which the new or additional deduction are to be made. The notification will also state whether the charge is permanent or temporary.

Section 3. COPE Deductions. The Employer agrees to deduct and transmit to SEIU Local 1 COPE all monies deducted per pay period from the wages of those employees who voluntarily authorize such contribution on the forms provided by SEIU Local 1 for that purpose. These transmittals shall occur monthly and shall be accompanied by a list of names of those employees for whom such deductions have been made and the amount deducted for each employee. The Employer agrees only to withhold deductions stated as monthly dollar amounts.

Section 4. The Union shall hold harmless the Employer from any and all claims that may arise out of the Employer's compliance with this Article.

ARTICLE 5 – EMPLOYEE LIST

The Employer upon request shall furnish the Union with a complete list of all employees including current addresses, current wage rate, last four (4) digits of social security number, cell phone and email (if available). Each month the Employer shall notify the Union in writing of terminations and newly-hired employees.

ARTICLE 6 – BULLETIN BOARDS AND UNION VISITATION

Section 1. The Employer will allow the Union to post notices on bulletin boards located by the time clocks. The Union will provide the General Manager with a copy of any notice prior to its being posted.

Section 2. The Union shall not post any material which is derogatory to the Employer. The Employer may request that the Union remove material on the bulletin board in violation of the Agreement. The material in question will be removed by the Union.

Section 3. A representative of the Union desiring to visit the premises or confer at the University with an employee in the bargaining unit may do so provided permission is received from the General Manager. Such permission will not be unreasonably denied. Bargaining unit employees will clock out or be on their break time during any such meeting.

Section 4. The Union will identify the Work Site Representative and alternate within each work unit and notify the Employer by written notice. The Union will also advise the Employer in writing of any changes.

ARTICLE 7 – STRIKES AND LOCKOUTS

The Union agrees for itself and its members that there shall be no picketing, strikes, sympathetic strikes or sit-downs for any reason whatsoever, or any other work interruption, and the Employer agrees that there shall be no lock-out during the life of this Agreement, it being the desire of both parties hereto to provide uninterrupted and continuous service. Employees violating this Article shall be subject to immediate discharge.

ARTICLE 8 – MANAGEMENT RIGHTS

Section 1. The Union recognizes the right of the Employer to operate and manage its business. All rights, functions, prerogatives, and discretions of the management of the

Employer, formerly exercised, potentially exercised or otherwise, are vested exclusively with the Employer, except only to the extent that such rights are specifically and explicitly modified by the express provisions of this Agreement.

Section 2. Except as modified by this Agreement, the Employer's right to manage its business shall include, but not be limited to, the right to hire, promote, demote, transfer, assign, and direct its work force; to discipline, suspend, or discharge; to retire or relieve employees from duty because of lack of work or other legitimate reasons; to determine and require standards of performance and to maintain discipline, order and efficiency; to determine operating standards, operational and other policies; to determine methods and procedures; to determine the quantity and type of equipment to be used; to increase or decrease the work force; to determine the number of departments and employees therein, and the work performed by them; to determine processes to be employed in the work place; to determine the number of hours per day or week individuals work and operations that shall be carried out; to establish and change work schedules, hours and assignments; to subcontract as long as it does not result in the layoff or displacement of employees, except in cases of significant mechanical breakdown, fire, or flood; to discontinue or relocate any portion or all of the operations now or in the future that are carried out at the facility covered by this Agreement; to schedule hours of work, including overtime; to add shifts or terminate existing shifts in accordance with customer need; to determine job content and classifications required; and to make and enforce all rules relating to work, operations, and safety, so long as they are not inconsistent with the terms of this Agreement.

ARTICLE 9 – NON-DISCRIMINATION

Section 1. The Employer and the Union agree that neither of them will discriminate against or harass any of the Employer's employees because of the employee's race, color, religion, sex, sexual orientation, age, national origin, gender identity or expression, disability, veteran status or any other personal characteristic that is protected by applicable law. The Employer and the Union also agree that neither of them will retaliate against any of the Employer's employees who complain of discrimination or harassment or who participate in an investigation regarding discrimination or harassment.

The Employer and the Union agree that each bargaining unit member is also obligated not to discriminate, harass, or retaliate based on any of the protected characteristics described above against any other employee or anyone with whom the employee has contact on the Employer's and/or client's premises during the course of the employee's workday.

Section 2. Gender. The use of pronouns "he" or "she" and the suffixes "men" or "women" shall not be interpreted to refer to members of only one sex, but shall apply to members of either sex.

Section 3. Americans with Disabilities Act. This Agreement shall be interpreted to permit the reasonable accommodation of disabled persons as required by state and/or federal law, including the Americans with Disabilities Act (ADA). In the event such conflicting accommodation is permitted only if required to comply with said laws, the parties, at either's request, shall meet to discuss the proposed accommodation. The parties agree that any accommodation made by the Employer with the respect to job duties or any other term or condition of employment shall not in any way become applicable to any other individual, class or group of employees, but shall apply only to the person or persons accommodated in the particular situation. The fact that such person or persons was accommodated, and the manner and method of such accommodation, shall be without precedent and, therefore, may not be used or relied upon by any person for any purpose at any time in the future.

ARTICLE 10 – PROBATIONARY EMPLOYEES

Section 1. New employees shall remain probationary and shall not become regular employees until completion of sixty (60) calendar days of service from the date of the last hiring. Upon completion of sixty (60) calendar days of probationary service, employees shall enjoy seniority from the last date of hiring. Probationary employees shall have no seniority rights during the probationary period and their employment may be terminated at any time in the sole discretion of the Employer. If discharged during the probationary period, such discharge shall not be subject to the grievance procedure.

Section 2. The Work Site Representative or, in the absence of a Work Site Representative, the alternate Work Site Representative, will be introduced by the supervisor to all newly hired employees within their first (1st) two (2) work days. If the Work Site Representative or alternate are unavailable, the Union Coordinator will be introduced to the new employee(s). The Union representative that is introduced to the new employee(s) will have the new employee(s) sign a dues deduction authorization card if they have not previously done so. This will be done within one-half (1/2) hour before or one-half (1/2) hour after the new employees scheduled work period during non-work hours. The time and the place will be designated by the Employer.

ARTICLE 11 – SENIORITY

Section 1. Company Seniority. Seniority rights shall prevail, including transfers, based on length of service, ability and qualifications. The Employer reserves the right to determine ability and qualifications. However, the Union retains the right to grieve any such situation. Seniority shall be defined as the length of service with Sodexo and its predecessor companies at Marquette University as of the employee's most recent hiring date. Seniority will not accrue during unpaid leaves.

Section 2. Classification Seniority. The Employer shall recognize seniority rights according to job classification and work unit at Marquette University, and employees shall be laid off and returned to work according to seniority status unless said employee is unable to perform work available.

Section 3. Seniority for Full-time and Regular Part-time Employees. Seniority refers to both full-time and regular part-time employees. At no time will part-time employee's seniority supersede a full-time employee's seniority; that is, once an employee is put on the part-time list; he or she may exercise seniority only against other part-time employees. All seniority dates, both full-time and part-time, will run from the employee's most recent date of employment with the Employer.

Section 4. Loss of Seniority. An employee's seniority will be broken by the following:

1. Discharge for just cause.
2. Voluntary quits.
3. Absence from work due to lay-off for a period of one (1) year.
4. Failure to report to work within three (3) calendar days after receiving written notification to return to work following lay-off.

5. Failure to return to work in accordance with the terms of a Leave of Absence.
6. Absence from work for three (3) consecutive days without advising the Company.
7. Falsifying reasons for obtaining Leave of Absence or engaging in other employment during such Leave.
8. Receiving settlement for total disability.
9. Falsifying pertinent information on application of employment.

Section 5. Job Posting. Permanent vacancies and new job positions shall be posted on bulletin boards campus wide for a period of four (4) consecutive days for the purpose of considering bidders. The posting shall list the job title, shift, an indication of the hours that may be associated with the position, and the wage rate.

Employee(s) may bid and be awarded a lateral transfer once per academic year. There will be no trial period for a lateral transfer.

Job vacancies and new position not fulfilled by a lateral transfer will be bid for any higher level classification. First preference will be given to employees within the same building who have seniority and qualifications. Second preference will be given to employees in other buildings based on seniority and qualifications. The successful bidder will have a thirty (30) working day trial period during which either the Employer or the employee may determine, in their mutual best interest that the employee should return to their previous position.

There will be no more than three (3) subsequent posting as a result of a job bid.

ARTICLE 12 – PERMANENT LAYOFF AND SUMMER WORK

Section 1. Because the Employer and the Union wish to alleviate the problems which can arise when employees are indefinitely laid off – as opposed to the normal seasonal lay-offs which occur several times a year – they have agreed to the following:

Section 2. Permanent Layoff. Lay-offs and recalls shall be made on the basis of seniority, ability, and qualification. Ability shall decide in cases where seniority is equal. Rehire shall be made in the reverse order of layoff. Not less than two (2) weeks notice of long term non-seasonal lay-off shall be given by the Company except when the Employer has had no notice of the lay-off and then a minimum of one (1) week's notice shall be given except in the case of a catastrophe or Act of God.

Section 3. Summer Work. Available summer work will be offered, on a voluntary basis, by classification by seniority, in the following manner:

1. First, to those employees who normally work during the academic year at the work unit that will be open during the summer;
2. Second, to those employees who normally work during the academic year at other similar work units (residence halls or retail sites);

3. Third, to all employees campus-wide.

If the Employer is unable to secure sufficient volunteers to fulfill its staffing needs for the summer using the above voluntary procedures, then the least senior employees, by classification, will be required to work.

ARTICLE 13 – GRIEVANCE PROCEDURE

Section 1. Should differences arise between the Company and the Union or its members employed by the Company as to meaning or application of the provisions of this Agreement, there shall be an earnest effort made on the part of both, the representatives of the Management and representatives of the Union, to settle the dispute.

Section 2. Disputes shall be settled in the following manner:

Step 1. The employee and/or the Union will first verbally discuss the alleged grievance with the Director of Operations and a settlement attempted.

Step 2. If the alleged grievance is not resolved with the Director of Operations, then the alleged grievance must be submitted by the Union, in writing, to the General Manager or his/her designee within seven (7) calendar days from when the employee or Union knew or should have known of the alleged grievance. The grievance will state the specific facts known to the Union and/or the employee at that time, giving rise to the grievance, including a statement as to the alleged dates and individuals allegedly aggrieved, and the specific Article and Sections alleged to have been violated. If the written alleged grievance is not received by the General Manager or his/her designee at the Second Step within seven (7) calendar days from when the employee or Union knew or should have known of the alleged grievance, then the grievance shall be considered as waived by the Union and the employee.

After receiving the written grievance, the General Manager or his/her designee, representatives of the Union, the Union steward and the employee or employees involved, will meet to discuss the grievance within seven (7) calendar days of receipt of the written grievance. Thereafter, the General Manager or his/her designee will give a written response to the grievance within seven (7) calendar days after the meeting.

Step 3: If the grievance is not settled to the satisfaction of the Union at Step 2, the Union, within seven (7) calendar days after receiving the General Manager or their designee's reply, shall submit the grievance to the District Manager or their designee in writing setting forth the alleged facts of the grievance, which shall also include the specific Article(s) and Section(s) of the Agreement that the Union believes have been violated and the remedy being sought in this matter. Either the District Manager or their designee or the Union shall request a meeting for the purpose of resolving the grievance prior to the Employer's decision. The meeting shall be held within ten (10) calendar days of being requested. Within ten (10) calendar days of the meeting, the Employer shall deliver to the Union a written reply to the alleged grievance, which shall provide for a decision in the matter and the reasons for the decision.

Step 4. If the grievance is not satisfactorily settled in Step 3, then it shall be submitted, in writing, by the Union within ten (10) calendar days of the Employer's written response in Step 3, to Grievance Mediation before a mediator from the Federal Mediation and

Conciliation Service (FMCS). (In the event that the Employer does not respond in writing within ten [10] days of the Step 3 meeting, then the Union may submit the matter to Grievance Mediation as provided for in this paragraph.)

The Grievance Mediation sessions will be conducted within twenty (20) calendar days following the written request for Grievance Mediation.

Proceedings before the mediator will be informal and rules of evidence will not apply. No record, stenographic or tape recordings of the meetings will be made. The mediator's notes will be confidential and their content shall not be revealed. FMCS rules protecting the mediator's confidentiality and immunity from providing testimony in any subsequent arbitration case, court proceeding, or administrative tribunal shall apply to FMCS grievance mediation. FMCS and the mediator appointed by the Service will be held harmless of any claim of damages arising from the mediation process.

Mediation sessions will be private. The grievant and witnesses will be entitled to be present. Attorneys will not be present unless mutually agreed to by the Employer and the Union. No more than two (2) additional representatives from the Union and two (2) additional representatives from the Employer who have not been previously involved in the grievance up to this point, may be present at the Grievance Mediation.

The mediator may conduct the mediation conference utilizing all of the customary techniques associated with mediation including the use of separate caucuses.

The mediator shall have no authority to compel resolution of the grievance, or to recommend altering, amending or modifying any provisions of this Agreement; or to actually alter, amend or modify any provisions of this Agreement.

In the event that no settlement is reached during the mediation conference, the mediator may provide the parties, either in separate or joint session, with written recommendations for settlement, and/or an oral advisory opinion.

If either party does not accept the written recommendation for settlement or the advisory opinion, as the case may be, or if neither is provided, then the matter may proceed to arbitration in accordance with the provisions of this Article.

Section 3. Arbitration. If Grievance Mediation provided for in Step 3 fails to resolve the grievance, then either party may request arbitration by so notifying the other party, in writing, of its intent to arbitrate within ten (10) calendar days of the date on which the Grievance Mediation written recommendation or advisory opinion, as the case may be, is rendered.

Section 4. The Arbitrator shall be selected by mutual consent of the Union and the Employer. If the parties are unable to agree upon an Arbitrator, then either party may request a panel of seven (7) Arbitrators from the Federal Mediation and Conciliation Service. The parties shall alternately strike names from the list until one (1) name remains. The remaining person shall be the Arbitrator.

Section 5. The decision of the Arbitrator shall be final and binding on the Union, Employer, and the employee or employees involved. The Arbitrator shall not be empowered to rule contrary to, amend, or to add to, or eliminate any of the provisions of this Agreement. The Employer and the Union shall jointly and equally share all expenses of the Arbitrator.

Section 6. The Employer and the Union agree that the grievance procedure set forth in this Article shall be the sole and exclusive method of settling all claims, grievances and controversies arising out of the terms of this Agreement. The Employer and the Union agree to follow each of the foregoing steps of the grievance procedure in the processing of a grievance, including the time limits for advancing the grievance and responding to the grievance.

Section 7. The time limit set out in this Article may be extended by the mutual agreement of the Company and the Union, and the agreement to extend must be in writing and signed by both parties. Should either party fail to respond within the time limits provided for herein, then the grievance will automatically be advanced to the next step in the grievance procedure.

ARTICLE 14 – LABOR-MANAGEMENT COMMITTEE

A Labor-Management committee composed of not more than five (5) employee representatives and five (5) Employer representatives may meet once per month to discuss non-contractual issues of mutual concern. The meetings shall be held within ten (10) working days from the date either party receives a request for a meeting from the other party. The meetings will be limited to one (1) hour unless both parties agree to an extension to be dictated by the circumstances. The meetings will be conducted during non-working hours. A list of topics for discussion shall be provided by the party requesting the meeting one (1) week prior to the meeting date.

Employees shall be advised by the Employer that they have the right to Union representation at the time of discipline or discharge meetings.

ARTICLE 15 – SAFETY COMMITTEE

Section 1. The Employer is responsible for maintaining a safe working environment and shall supply all safety devices and equipment required by law.

Section 2. A Joint Safety and Health Committee (“Committee”) will be established. The committee will be composed of three members of the bargaining unit selected by the Union and up to three (3) members of management selected by the Employer. The Committee shall be organized to provide assistance in identifying and eliminating potential safety hazards throughout the facility. The Employer will coordinate the meetings of the Committee. This Committee will meet monthly during the academic year. The Employer will consider all of the recommendations from the Committee in good faith. Employees shall be paid at their regular hourly rate for time spent at health and safety committee meetings.

Section 3. Protective Equipment. The Employer shall make available appropriate personal protective equipment at no cost to the employee, and employees will utilize the protective equipment provided.

ARTICLE 16 – DISCHARGES

Section 1. The Employer agrees that discipline shall be for just cause only. An employee may file a grievance concerning disciplinary action against him/her.

It is understood that the Employer will give its reasons for such discipline and/or discharge to the employee and the Union within seven (7) calendar days of such action.

Section 2. The parties recognize the principles and need for a method by which progressive discipline shall be provided. The Employer will administer progressive discipline as follows:

1. First written warning.
2. Second written warning.
3. A final warning and disciplinary suspension of up to five (5) scheduled work days.
4. Suspension pending investigation and decision to discharge.

Section 3. The progressive disciplinary steps described in Section 2 may not be applied, and employees may be subject to suspension or summary discharge in cases of serious misconduct, such as gross insubordination; fraud, theft, or misappropriation of company or client funds or property; punching in or out for another employee or any other falsification of records; vandalism; use, possession, sale, distribution, or being under the influence while at work of alcoholic beverages or illegal drugs or other controlled substances; possession of firearms or illegal weapons at the work place or while on duty; engaging in, abetting, or threatening violence, physical harm, or abuse of fellow employees, management, or customers; or other conduct of a similar nature, seriousness, or culpability.

Section 4. In any disciplinary proceeding, the Employer may not consider and/or utilize any material adverse to the employee that occurred more than twelve (12) months prior to the current disciplinary action, provided no other disciplinary action has been taken against the individual within those twelve (12) months.

Section 5. An employee shall be permitted to have a Shop Steward or Union Representative at any meeting with the Employer, or its agents, which meeting is for the purpose of investigating alleged misconduct by the employee that might be the basis for, or which may result in, discharge, suspension or other disciplinary action with respect to the employee. If the employee indicates that he/she wishes a steward to be present, and one is not available, the disciplinary meeting shall be temporarily postponed unless it is suspension or suspension with intent to discharge. In such cases, another bargaining unit person of the employee's choosing shall be asked to sit in as a witness. If it is not a suspension or suspension with intent to discharge, the discipline shall be delayed until the employee's next shift.

Section 6. Absence and tardiness issues shall be considered together on a separate track from other disciplinary issues.

ARTICLE 17 – WAGES

Section 1. Increases will be granted to all covered employees during the term of this Agreement as shown in the Appendices, attached hereto.

Section 2. The minimum hourly wage rates for all covered employees under this Agreement shall be as listed in the attached Schedule "A", Classifications and Wages.

Section 3. In the event that the Employer goes to a bi-weekly payroll system, the employees and the Union shall be given a thirty (30) day notice.

Should the payday change from Friday, the Employer will meet with the Union to bargain over the effects of such change.

Section 4. Wages shall be paid by check, direct deposit or electronic money card, as determined by the Employer, subject to applicable law.

ARTICLE 18 – EMPLOYEE DEFINITION

Section 1. Full-time Employee. Regular full-time employment shall be considered for all those employees covered under this Agreement who are regularly scheduled to work thirty (30) or more hours per week.

Section 2. Part-time Employee. Regular part-time employees covered by this Agreement are defined as employees scheduled to work regularly less than thirty (30) but at least sixteen (16) or more hours per week.

ARTICLE 19 – HOURS OF WORK

Section 1. Work day and Work week. The normal work day and work week for employees covered by this Agreement shall be either eight (8) hours per day and forty (40) hours per week, or ten (10) hours per day and forty (40) hours per week. The foregoing is not intended to be interpreted as a guarantee of work for any number of hours a day or days a week.

Section 2. Workweek and Overtime. The work week shall consist of a seven (7) day payroll period beginning at 12:01 a.m. on Friday and ending at 12:00 midnight the following Thursday. Time worked by an employee covered by this Agreement in excess of forty (40) hours in any one (1) work week shall be considered as overtime and shall be paid for at the rate of one and one-half (1 1/2) times the regular hourly rate of pay.

Section 3. Reporting Pay. Employees, who report for work at their normal starting hour, in the absence of notice from the Employer to the contrary, shall receive a minimum of four (4) hours of work or four (4) hours of pay in lieu thereof.

Section 4. Minimum Pay on Scheduled Day Off. When an employee is called in to work on their normally scheduled day off, they shall receive a minimum of four (4) hours of work or four (4) hours of pay in lieu thereof.

Section 5. Work Schedule Changes. Employees shall be notified before any weekly work schedules changes. Where possible employees will be notified twenty-four (24) hours in advance of weekly work schedule changes. If the situation does not provide for the Employer to give twenty-four (24) hour notice, the notice shall be given as soon as possible prior to any weekly work schedule changes. Weekly work schedules will normally be posted one (1) week in advance.

Section 6. Extra Work. The Employer has the right to require employees to work unplanned additional work hours as needed above and beyond those already scheduled as may be necessary to meet operating requirements. In the event additional work hours are required, the General Manager or his designee shall use the volunteer procedures below, by work unit by classification, in the following order:

1. If the employee is at work and it is within their classification, they will be asked. Volunteers will be asked beginning with the most senior qualified employee.
2. The least senior qualified employee in the unit will be expected to perform the work. If the least senior employee in the work unit refuses the additional work hours assignment, the Employer is free to fill the position from any available source with preference being given to bargaining unit employees.

Reduction of hours will be in reverse order of seniority.

This in no case is intended to limit Management's flexibility with respect to rescheduling and determination of employee's ability to perform work nor should this be construed to require management to assign additional hours in the above matter so that it puts it self in a position of over-time liability.

Section 7. Work in a Higher Classification. Any employee who works in a higher classification for a minimum of two (2) hours shall receive the rate of that classification for the hours so worked. An employee temporarily assigned to work in a lower paid classification shall retain their rate. Such work will be assigned as determined by management.

Section 8. Snow Emergency. If a snow emergency is declared by the City of Milwaukee and an employee is late or absent, but has made a good faith effort to get to work, the employee will be considered excused. Incidents of this nature will not be considered in any other disciplinary situation. Employees that are at work at the time a snow emergency is declared, whose only transportation home is the Milwaukee Transit System, will be given the option to remain at work or leave without pay for the remainder of the scheduled hours of work if the Milwaukee Transit System announces that it will stop service.

APPENDIX “B” (DRUG/ALCOHOL TEST IMPLEMENTATION GUIDELINES)

POST-ACCIDENT SUBSTANCE ABUSE TESTING

A. Circumstances When Testing Will Be Required

As permitted by law, Sodexo will conduct drug and/or alcohol testing following on-the-job accidents, as defined in Section “C”, below, in accordance with the procedures set forth in this Article.

These procedures are designed not only to detect use of drugs or alcohol but also to ensure fairness to each Employee. Every effort will be made to maintain the dignity of Employees involved.

Employees governed by client-specific requirements must comply with those client requirements in addition to the requirements herein, if not in conflict with client requirements.

B. Prohibited Substances:

1. Prohibited Drugs: Unless limited by applicable state law, testing will be conducted for the presence of the following substances or their metabolites:

- *ALCOHOL
- *AMPHETAMINES (Including MDMA)
- *COCAINE
- *MARIJUANA
- *OPIATE METABOLITES
- *PHENCYCLIDINE (PCP)
- *6-monoacetylmorphine (6-MAM; a heroin-specific metabolite)
- *Additional substances may be added as evidence of use dictates.

Detection levels requiring a determination of a positive result shall, where applicable, be under accepted scientific standards in accordance with the recommendations established by the Substance Abuse and Mental Health Services Administration (SAMHSA; formerly “NIDA”) as adopted by the federal Department of Transportation (DOT).

2. Alcohol: A positive alcohol test is any result reported at or above 0.04.

C. Post-Accident Testing:

An Employee Accident is defined as an unplanned event which results in a work-related injury or illness which requires outside medical treatment and cost.

For any Employee who is involved in an Employee Accident, Sodexo will conduct drug and alcohol testing.

All Employee Accidents must be reported to the Sodexo unit manager or other designated person or manager within one hour of the event – unless there are circumstances that make reporting within 1 hour impractical or impossible – but no later than three hours of the event.

Post-Accident drug and alcohol testing should occur as soon as is practical but not later than 32 hours after the occurrence of an event meeting the above criteria. Employees must report for testing within thirty-two (32) hours. If an Employee fails to do so, it will be deemed refusal to test, absent a reasonable explanation.

D. Collection of Samples/Lab Analysis:

1. Specimen Collection: All specimen collection for drugs and alcohol will be performed in accordance with generally accepted scientific methods. Sodexo will use chain-of-custody procedures.

2. Specimen Analysis: Test methods permitted by state law shall be utilized. For confirmation purposes of any test screened “non-negative,” Sodexo will retain only a laboratory certified by the Substance Abuse and Mental Health Services Administration (SAMHSA). The laboratory will be required to maintain strict compliance with federally approved chain-of-custody procedures, quality control, maintenance and scientific analytical methodologies.

3. Split-sample Analysis: The Employee may request that a confirmation test on the specimen be conducted. That request must be made in writing within three (3) business days after being notified of the positive test result. The analysis of the split sample shall be obtained from a separate, unrelated certified laboratory chosen by the Employee and shall be at the Employee’s expense.

If the split sample analysis fails to re-confirm the presence of the prohibited substance found in the original sample then both tests shall be noted as a negative and no disciplinary action taken.

E. Alcohol Testing Procedures:

All alcohol tests will be conducted in strict compliance with the rules adopted by federal and state guidelines and in accordance with the best practice in the applicable scientific community.

F. Review and Notice of Rights:

Sodexo’s contracted Medical Review Officer will contact any Employee testing positive for the presence of a prohibited substance. The Employee will be allowed to present medical documentation to explain any permissible use of a drug. All such discussions between the Employee and the MRO will be confidential. Sodexo will not be a party to or have access to matters discussed between the Employee and the MRO, except to respond to a claim made in a grievance, arbitration, lawsuit or administrative charge. Until the Employee contacts the MRO or a reasonable time has lapsed after the Employee was asked to contact the MRO, Sodexo will not be advised of the test result.

If legitimate, medically supported reasons exist to explain the positive result, the MRO will report the test result to Sodexo as a negative. If there is no legitimate, medically supportable reason for the positive test result, the MRO will report the test result as a positive. Sodexo will then notify the Employee of the positive result, the substance(s) detected and the Employee’s right to a split-sample analysis.

There will be no medical review of a positive test for alcohol or a positive test of a split specimen. No medical explanation for alcohol in an Employee’s system will be accepted.

If, during the course of an interview with an Employee who has tested positive, the MRO learns of a medical condition, or medication for a medical condition, which could, in the MRO’s reasonable medical judgment, pose a risk to safety, the MRO may report that information to Sodexo.

If the result is reported to Sodexo as positive by the MRO, Sodexo will notify the Employee in writing of the following:

1. The result of the test;
2. The Employee’s right to have a split sample analyzed;
3. The Employee’s right to choose the laboratory to analyze the split sample;
4. The Employee’s right to take up to three business days after the date of written notice

to decide whether to have the split analyzed;
5. The Employee's responsibility to pay for the split sample analysis.

G. Consequences:

Any Employee who refuses to submit to the testing process will be terminated.

Any employee suspected of unnecessarily delaying the test process, attempting to adulterate or substitute a sample or refusing to fully cooperate in the test process will be considered to have refused to submit to testing.

For a first positive test result, an Employee will be permitted to take an unpaid leave of absence of up to thirty (30) days for the purpose of participating in a medically approved rehabilitation program.

Upon successful completion of the rehabilitation program, the Employee, the Union and the Employer will execute a Return to Work Agreement, specifying that in addition to drug and alcohol testing following any on-the-job injury, the Employee will, for a period of twelve (12) months, be subject to drug and alcohol testing at the direction of management if there is reasonable grounds to suspect that the Employee is under the influence of drugs or alcohol. The penalty for a second positive test for drugs or alcohol shall be termination.

In addition, a positive test, or the refusal to submit to a test, may result in a denial or loss of workers compensation benefits under state law. (This information is provided for informational purposes only, it being understood that neither the Union nor the Employer controls the grant or denial of workers' compensation benefits.)

H. Confidentiality:

Unless otherwise limited by law, information and records relating to testing, test results, drug or alcohol dependencies, medical restrictions, and legitimate medical explanations provided to the medical facility, the MRO, or Sodexo's designated Human Resources Manager as part of Sodexo's drug and alcohol testing program, shall be kept confidential and maintained in medical files separate from Employees' personnel files. Such information shall be the property of Sodexo and may be disclosed to Human Resources, the MRO, and to Sodexo managers and supervisors on a need-to-know basis. Such information also may be disclosed where relevant to a grievance, charge, claim, lawsuit, or other legal proceeding initiated by or on behalf of an employee or prospective employee.

I. Employee Assistance:

Employees with personal alcohol and drug abuse problems should request confidential assistance through local support agencies or, if applicable, Sodexo's health insurance program. Employees who undergo voluntary counseling or treatment, and who continue to work, must meet all established standards of conduct and job performance including these Guidelines. While the mere voluntary request for assistance with an alcohol or drug abuse problem will not result in any constructive counseling, such requests will not prevent disciplinary action for violation of Sodexo's Drug and Alcohol Use Policy and will not prevent termination for a positive result.
